Dear Ms. Dortch:

On Friday, March 5, 2004, representatives of Progeny LMS, LLC ("Progeny") met with John Branscome, William Kunze, Paul D'Ari, Michael Rowan and Wayne Leighton of the Wireless Telecommunications Bureau to discuss issues relevant to the above-captioned petition. Progeny was represented by Janice Obuchowski, Albert Halprin, Mark MacDowell and Mike McMains. The meeting was held to discuss and clarify questions relating to Location and Monitoring Service ("LMS") in the 902-928 megahertz band. Progeny has proposed rule changes affecting LMS, which shares the band with other licensees and users of unlicensed devices pursuant to Part 15 of the Commission's rules.

In accordance with Section 1.1206(b) of the Commission's Rules, please accept this original and one copy for submission.

Respectfully yours,
